YOUR COMMUNITY FOUNDATION

The Greater PineBelt Community Foundation (PineBelt Foundation) exists to strengthen communities by connecting charitably-minded people to causes that matter most to them. We are organized as a 501(c)(3) allowing us to receive gifts from individuals, businesses and organizations who wish to support non-profit organizations or charitable causes in the Pine Belt. The PineBelt Foundation was formed in 1997 by local civic leaders through the Area Development Partnership's Leadership Pinebelt program.

The PineBelt Foundation is one of over 700 community foundations in the United States, all offering donors a variety of ways to enhance communities through philanthropic giving.

OUR MISSION

As a driving charitable force in our region, our mission is to build better communities through philanthropy. Donors can establish charitable legacies and provide leadership to address community needs in a manner that is responsible, responsive and lasting.

To accomplish this we:

- Help donors with their charitable giving
- Establish endowment funds for nonprofits and other charitable causes
- Assist financial advisors and attorneys with giving options that will benefit their clients
- Work with community leaders and private foundations to address current and emerging needs.

HOW WE WORK

By opening an endowed fund (donor advised, donor designated, field-of-interest, organizational or scholarship), charitably-minded donors can provide grants that support non-profit groups and charitable community projects.

The PineBelt Foundation accepts a variety of gifts, including cash, stocks, life insurance, property and bequests, providing donors with great flexibility and maximum tax benefits.

The PineBelt Foundation is governed by an active Board of Directors. These Directors are well-known community leaders who volunteer their time to make a difference in the Pine Belt region.

WHO WE SERVE

The Pine Belt region is our service area, which includes Forrest, Lamar, Jones, Marion, Perry, Jefferson Davis and Covington Counties. However, we will provide our services to donors outside this area if their intention is clearly charitable in nature and is in furtherance of the charitable purposes of the PineBelt Foundation. *All funds must be accepted by the Board of Directors' Fund Acceptance Committee.*
