Bob James was an active and passionate supporter of the Hattiesburg community, especially of United Way of Southeast Mississippi. As a lasting tribute to her late husband and his charitable nature, in 2001 Gwen James established the Bob James Memorial Fund at The Greater PineBelt Community Foundation.

Annual earnings from the Bob James Memorial Fund will support administrative costs of United Way of Southeast Mississippi; therefore, more campaign and fund-raising dollars can go directly to the work of United Way's partner agencies in Forrest, Lamar and Perry counties.

### About United Way

Since 1940, our local United Way has been a leader in making lasting improvements in Forrest, Lamar and Perry counties. By partnering with local agencies and creating its own special programs, United Way of Southeast Mississippi makes a positive impact on the lives of people of all ages in our community. The goal of our local United Way is to enhance our community in the areas of education, financial stability, health and support services.

### 100% Promise

In the past, United Way of Southeast Mississippi's operating expenses have averaged about 14% of its budget, which is well below national standards. United Way is constantly striving to lower its operating costs, so more money can be invested in direct services in our community. Our ultimate goal is the "100% Promise." That is, through the support of the **Bob James United Way Endowment Fund**, 100% of the contributions to United Way of Southeast Mississippi will go to support its partner agencies and local programs.
